**Morris & Morris Attorneys Awarded "Best Law Firms"
for Third Consecutive Year**

U.S. News Media Group and Best Lawyers has again named Morris & Morris Attorneys as one of the "Best Law Firms" in their 2015 rankings.

Morris & Morris Attorneys' top tier ranking is based on consistently impressive performance ratings from the legal profession and legal clients, determined through the firm's overall evaluation, which was derived from a combination of clients' positive feedback and the high regard that lawyers in other firms in the same practice area have for Morris & Morris. The significance of a high rating indicates a unique combination of excellence and breadth of experience in various areas of practice.

"We are proud of the heritage of our law firm, based on the excellence of three generations. And we are privileged to be recognized for the third consecutive year by our clients and peers," said Deborah M. Field, partner at Morris & Morris Attorneys.

Best Lawyers in America recently honored Ms. Field for her work in the practice area of Personal Injury Litigation- Plaintiffs. Her law firm partner, James E. Morris was also selected by his peers for inclusion in the 2015 edition of The Best Lawyers in America for his work in Mediation.

The rankings, presented in tiers, showcase more than 10,000 law firms ranked nationally in one or more of 80 legal practice areas, or by metropolitan or state, in 118 practice areas. Morris & Morris Attorneys will be featured along with other first tier recipients in the upcoming annual U.S. News/Best Lawyers "Best Law Firms" publication and also online at <http://bestlawfirms.usnews.com>
