Rochester's Morris & Morris Attorneys Named to *Best Law Firms*

For the fifth consecutive year, *U.S. News & World Report* and *Best Lawyers* have named Morris & Morris Attorneys in their 2017 Tier 1 rankings as one of the *Best Law Firms*.

Morris & Morris Attorneys' ranking is based on a rigorous evaluation process that includes collection of client and lawyer peer review from leading attorneys in their field, and review of additional information provided by law firms. Their selection is based on consistently outstanding performance ratings from peers in the legal profession and their legal clients.

"We are very proud to receive this recognition from our peers and our clients," said partner Deborah M. Field at Morris & Morris Attorneys. "It is a tribute to the extensive experience of our firm and our commitment to a professional relationship with each and every client."

In addition to this recognition, partners Deborah M. Field and James Morris were recently selected to the Upstate New York Super Lawyers Top List. Deborah M. Field was awarded in her practice area of Personal Injury-General: Plaintiff. James Morris was recognized for his practice area of Alternative Dispute Resolution.

Best Lawyers is the oldest and most highly respected peer review guide to the legal profession worldwide and to be included in their rankings is an honor of great distinction.
